

CIS 230 - C++ Programming – Spring 2006  
Homework Assignment #1

Homework #1 due dates:

Part1: Will be checked during Lab, Monday, 23-Jan-06

Part2: BEGINNING of class (10:00 am), Wednesday, 25-Jan-06

Part 1:

Find at least 5 different errors in the following program:

\*\*\*\*\*

```
#include iostream;
```

```
using namespace std;
```

```
int main
```

```
* This is a small program
```

```
  to review the C++ form *
```

```
cout << "This prints \n"
```

```
end.
```

\*\*\*\*\*

Indicate the errors by circling or adding corrections above.

Part 2:

During the lab on Monday, we will be going over the compilation process. As part of the exercise, you are to type up your corrected program and compile it.

We will also be going over the submission process for the class. Once you have successfully compiled the corrected program, you will submit it to me for grading.
