Objective

To help contribute to the team of workers and add to the ideas that this company comes up with.

Experience

- 4 years as a scribe in scouts- I took notes at every leadership meeting meaning that I've seen and experienced what great leadership is.
- National Youth Leadership Training- I went to a weeklong leadership training camp that trained all that went in the ways of being an effective leader.
- Achieved Eagle Scout Rank- I have proven myself worthy by the scouting board to wear the prestigious title of Eagle Scout.
- 1 year of working at Friends Yogurt- I worked under a leadership figure learning how to take orders and execute what I am told to do.

Education

- I went to Mission Hills High School and graduated going through many Advanced Placement courses and passing.
- I am currently going through the Environmental Resources Engineering program at Humboldt State University.

Skills

I can work well with others, however if the need be that I face a challenge alone I can rise to the occasion. I can also bring great ideas to the table and be able to challenge others and help them develop great and well developed ideas.
