OBJECTIVE

To gain experience and offer my skills as an engineering student through an internship program.

EDUCATION

Humboldt State University, Arcata, CA - *Environmental Resources Engineering*

AUGUST 2015 - PRESENT

Expected graduation, May 2020.

Casa Roble High School, Orangevale, CA

AUGUST 2011 - MAY 2015

Honor student for 4 years in a row.

WORK EXPERIENCE

Del Taco, Citrus Heights - *Team Member*

JUNE 2015 - PRESENT

- Worked both days and graveyard as drive-thru and front counter cashier.
- Prepared orders, food, beverages for next day, as well as correctly receiving orders and processing payments.
- Maintained kitchen and lobby cleanliness.

*Recognized by management for going above and beyond normal job functions.

OTHER EXPERIENCE

Job shadowed an Applications Engineer at a renewable energy company, JLM Energy, and learned the basics of his job. Gained knowledge on how their products, solar panels, wind turbines, battery packs, work and are installed. APRIL - MAY 2015

Tutored a 7th grade student in pre-algebra, once a week. Set up lesson plans and taught concepts. JUNE 2013 - AUGUST 2013
