Prime Cinemas , Red Bluff

Apr 2014 – Aug 2016

- Served customers snacks, beverages and some prepared foods.
- Cleaned, stocked and closed down the concession stand.
- Swept theaters and hallways regularly, deep cleaned theaters, bathrooms and back room often.
- I completed over one hundred shifts in a row without being late.

EDUCATION

Environmental Resources Engineering

Humboldt State University, Arcata, CA

2016 – Current

- I am currently pursuing my degree in Environmental Resources Engineering at Humboldt State University in Arcata, CA.
- I participated in a NASA Internship for two years in high school; I conducted research relating life in hydrothermal systems on Earth to similar ancient systems on Mars.
- Due to this opportunity, I was able to become comfortable using research equipment such as conductivity and pH meters as well as performing lab processes.

ADDITIONAL EXPERIENCE

EXTRA-CURRICULAR ACTIVITIES

- I participate in two musical ensembles at HSU: the Calypso band and the Humboldt Symphony.
- I am passionate about playing piano, horn, mellophone, and percussion.
- I have volunteered with the California Scholarship Federation as well as individually in my hometown; this consisted of community beautification and volunteer work in a local child services office.
