the empty list

in Scheme:      '('()

in LISP:        NIL

a 1-element list

in Scheme:      (cons 37.5 '('())

in LISP:        (cons 37.5 NIL)

• lists are built recursively!
• a list is either:
  • '('() or
  • (cons element list)
